SIY Project

Sew It Yourself

The following project was created with fabric that your local retailer may no longer have available. You can re-create these projects by replacing the fabrics shown using the fabric key as a guide for similar colorations or styles.

PROJECT DISCLAIMER: Every effort has been made to ensure that all projects are error free. All the information is presented in good faith, however no warranty can be given not results guaranteed as we have no control over the execution of instructions. Therefore, we assume no responsibility for the use of this information or damages that may occur as a result. When errors are brought to our attention, we make every effort to correct and post a revision as soon as possible. We recommend that you test the project prior to cutting for kits. Finally, all free projects are intended to remain free to you and are not for resale.

LIFE'S A KICK... Apron

Materials

1 $\frac{1}{8}$ yards	Diner Signs - Black (A)	1657-99
$\frac{1}{3}$ yard	Fast Food - Tan (B)	1658-30
$\frac{1}{3}$ yard	Jot Dots - Dark Blue (C)	9570-77

Cutting Instructions

Please note: All strips are cut across the width of fabric (WOF) from selvage to selvage edge unless otherwise noted.

From the Diner Signs - Black (A), cut:

- (1) 33" x 35" Rectangle

From the Fast Food - Tan (B), cut:

- (1) 9" x 17" strip

From the Jot Dots - Dark Blue (C), cut:

- (3) 3" x WOF strips

Block Assembly

Note: Use a $\frac{1}{2}$ " seam allowance with right sides together (RST) unless otherwise noted.

1. Place (1) 33" x 35" Fabric A rectangle on a cutting surface, wrong side up with the 33" side at the top. Measure in from the upper left corner of the rectangle, 10 $\frac{1}{2}$ " and mark. Measure down from the upper left corner of the rectangle 11 $\frac{1}{2}$ " and make a second mark. Draw a gentle curve between these two lines (Fig. 1). Cut on the drawn line to make the left curved edge on the apron.

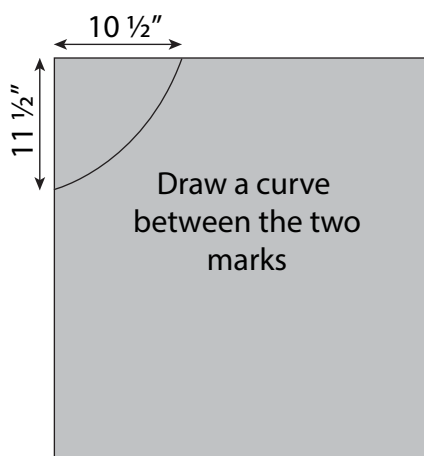

Fig. 1

2. Fold the 33" x 35" rectangle in half lengthwise, wrong sides together, with the curved half on top. Align the top and side edges of the rectangle and pin. Using the cut curve from Step 1 as a guide, draw a line on the wrong side of the bottom half of the folded fabric. Cut on the drawn line to make the curved edge on the right side of the apron.

3. Use a small zig zag or finishing stitch and sew along all the raw edges of the apron body to finish the edges. Repeat with the 9" x 17" Fabric B piece to make the pocket.

4. Starting with the curved edges on the apron, fold over the raw edge $\frac{1}{2}$ " to the wrong side of the apron body and top stitch down. Repeat with the top edge of the apron, the straight side of the apron and finally the bottom of the apron (Fig. 3).

Fig. 3

5. On the wrong side of the 9" x 17" pocket, fold over the raw edge $\frac{1}{2}$ " starting with the two short sides, followed by the two long sides. Only top stitch one long side of the pocket (Fig. 4).

Fig. 4

6. Fold (1) 3" x WOF Fabric C strip in half lengthwise and press (Fig. 5). Open the folded fabric and fold each long edge to the creased center line and press (Fig. 6).

7. Fold the pressed fabric in half again and press to make (1) ¾" x WOF strip (Fig. 7). Repeat with the remaining (2) 3" x WOF Fabric C strips.

8. Measure and mark (2) of the Fabric C strips to the desired length for the ties at the waist. Add 1" to the length and cut the ties. Tuck in each short end ¼" and press. Top stitch across each short end and down each side to finish the ties (Fig. 8).

9. Use the third Fabric C strip to measure and mark the desired length of the neck strap. Add 1" to the length and cut the ties. Tuck in each short end ¼" and press. Top stitch across each short end and down each side to finish the neck strap.

10. Position the neck strap at the top of the apron and sew in place to secure it to the apron body. Position one tie to each side of the apron just under the curved edge on the apron and sew in place to secure them to the apron body (Fig. 9).

Fig. 9

11. Position the front pocket to the apron body as desired, right side up on both pieces. Make sure the sewn long edge is at the top of the pocket and pin in place. Top stitch down each side and across the bottom of the pocket to secure it to the apron (Fig. 10).
