SIY Project

Sew It Yourself

The following project was created with fabric that your local retailer may no longer have available. You can recreate these projects by replacing the fabrics shown using the fabric key as a guide for similar colorations or styles.

PROJECT DISCLAIMER: Every effort has been made to ensure that all projects are error free. All the information is presented in good faith, however no warranty can be given not results guaranteed as we have no control over the execution of instructions. Therefore, we assume no responsibility for the use of this information or damages that may occur as a result. When errors are brought to our attention, we make every effort to correct and post a revision as soon as possible. We recommend that you test the project prior to cutting for kits. Finally, all free projects are intended to remain free to you and are not for resale.

Finished Project Size: 7 ¹/₂" x 7 ¹/₂" (19.05cm x 19.05cm)

Supplies Needed

- 1 Fat quarter 18" x 21" (45.72cm x 53.34cm)
- 2 10" (25.4cm) Squares 100% cotton batting
- 100% Cotton sewing thread
- Removable marker
- Iron, pressing surface
- Sewing machine

Note: It is important to use all 100% cotton fabric, batting and thread in order for the Koozies to be microwave safe.

Before You Begin

Read all instructions before beginning project. Before cutting, press fabrics with a dry iron on cotton setting. Sew fabrics with right sides together (RST).

Fat Quarter - 18" x 21" (45.72cm x 53.34cm)

Cut 2 - 10" x 10" (25.4cm x 25.4cm) squares

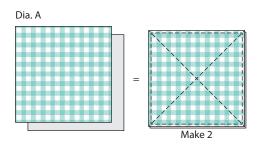

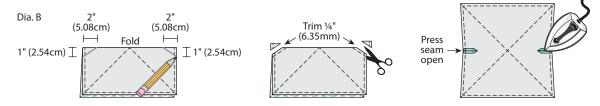

Cut 2 - 10" x 10" (25.4cm x 25.4cm) squares

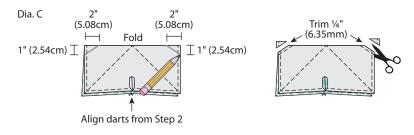

1. Place each square of fabric on top of a square of batting, **wrong** sides together. Pin and sew 1/8" (3.18mm) around edges. Mark and sew from corner to corner. Make 2. Remove marked lines.

Fold the square in half, right sides together. Along the folded edge, measure and mark 2" (5.08cm) from each corner. Measure and mark 1" (2.54cm) from the same two corners along the other edge. Connect the marks and sew on the line. Trim a scant ¼" (6.35mm) from the seam. Open seam and press to reduce bulk. Make 2.

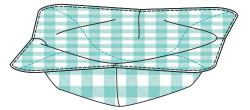

3. Repeat Step 2, folding each square in half the other way as shown in Diagram C.

4. Place both Koozies right sides together, matching seam lines and corners; pin. Sew around the outside edge using 3/8" (9.53mm) seam allowance, leaving a 3" (7.62cm) opening for turning. Turn right side out through the opening. Press edges.

5. Sew the opening closed using a blind stitch. Press and top stitch close to the edges.

Finished Care Instructions

A Koozie made of 100% cotton fabric, batting and thread is microwavable, but do not heat for more than 2 minutes. Let cool before removing from microwave. Test heat before picking up. Do not use wet because when heated the steam will transfer through fabric. Machine wash cold gentle. Do not bleach. Tumble dry low.
